Lexington Quiet Again After Day of Excitement

U. S. Regulars Hold City in Martial Law Until Mob Melts Away—Troops Leaving Today

(By Associated Press)

Lexington, Feb. 10.—Dawn found Lexington an armed camp approximately 900 federal and state troops patrolling the city and all approaches. No one is allowed to enter the city as a result of yesterday's riots.

The early morning casualty list remained at five dead, 17 wounded. William Lockett, the negro slayer of Geneva Hardman, remained confined in the steel cage in the court house, awaiting removal to Frankfort or Eddyville. The attempt to lynch Lockett yesterday caused the riots. Lockett was brought here from Frankfort yesterday, tried and convicted of murder, and sentenced to die in the electric chair March 11th.

During the trial the mob rushed the entrance to the court house, after a halt warning was unheeded, it met with a volley from state troops. Four hundred additional troops arrived here last night.

Reports last night that 1,500 mountaineers were enroute here failed to materialize, but it caused the commanding officers to throw a cordon of troops across the highways leading to the city.

Gen. Marshall stated martial law is indefinite. The city is now quiet.

(By Associated Press)

Lexington, Feb. 10.—General Marshall this afternoon announced the situation is well in hand and the 200 regulars would return to Camp Taylor late this afternoon. The state troops which repulsed the mob yesterday, have made arrangements to entrain for Latonia. Little damage was done the court house during the riots. Everybody coming within a block of the court house is being searched for firearms. It was said that General Charles P. Sumner will reach here and confer with Gen. Marshall regarding the situation this afternoon.

Lexington, Feb. 10.—After a day of rioting, unprecedented in the history of Lexington, during which five lives were lost and a score of persons were wounded, Lexington is under martial law with nearly a thousand United States soldiers on guard to uphold order and restore peace.

Will Lockett, negro, confessed slayer of 10-year-old Geneva Hardman, will pay for his crime in the electric chair. An attempt of a mob of several hundred, from many points of Kentucky, to storm the Fayette county courthouse during the trial failed, but left the city in sorrow.

Within half an hour after his trial was begun in Circuit Court—exactly at 9:28 o'clock Monday morning—the murderer was sentenced to die in the electric chair at Eddyville before dawn on the morning of March 11.

Governor Morrow signed the death warrant last night in the executive offices at Frankfort.

At midnight, with every avenue leading to the courthouse closely guarded by trained troops of the famous First Division—veterans of two years' fighting in France—Lockett was still incarcerated in a room adjoining that in which he had heard his sentence pronounced a few hours earlier.

Lockett, whose crime precipitated the trouble which cost five lives, was asleep in his cell in the courthouse when Brigadier General Marshall took over command of the city.

He probably will be taken to the Eddyville prison by military units today.

Brigadier General Francis C. Marshall, U. S. A., in command of the city, was administering the military law under which the city is governed from temporary headquarters in the courthouse last night. He refused to make any statement regarding disposition of the negro entrusted to his care.

Fearing new outbreaks of violence, and under the influence of rumors from several points in Kentucky that bodies of men were forming to come to Lexington and get Lockett at all costs, and after was dispatched to Louisville for more troops by General Marshall shortly after his arrival

here at 3:10 p. m. with two provisional battalions numbering about 400 men. At 9 o'clock a total of more than 800 Federal troops were patrolling the city.

Adjutant General Dewees, who commanded the troops that fired on the mob, declared in a statement given out shortly after General Marshall had taken command of the situation that he considered his action justifiable and unavoidable. His statement follows:

"I did everything possible to avert what happened. In a public statement I warned the citizens not to attempt violence and to avoid the danger zone. No shots were fired until the crowd reached the machine gun. I backed twenty steps, grappled with two of the leaders, striking one over the head with my pistol. The volley which stopped the rush was not fired a minute too soon.

"If this should have to be gone through again I do not believe I could with any safety revise any of the actions the military were forced to take. I'd do again what I have done."

The unexpected firing had an immediate quieting effect and the crowd returned to its station on the street. The wounded were immediately taken to hospitals.

The man with the rope, William Lockett, was arrested and taken to police headquarters, and the crowd thinned out to a great extent.

There was no concerted demonstration following the shooting, although several individuals in the front ranks shook their fists and shouted.

After the verdict had been made public a great deal of excitement was caused by the report that if a committee would come into the jail with their hands tied up the negro would be turned over to them. Twenty or thirty started forward at once, but it was a false alarm and they turned back.

Brigadier General Francis C. Marshall, commanding officer in charge of the City of Lexington under martial law, said last night that the troops had the situation well in hand and that he believed order had been restored.

Extra guards were sent to the Union station last night following receipt of rumors that incoming trains would bring in persons who had dynamite. No trouble, however, was met.

The first military arrest in Lexington was made within fifteen minutes after the flag had been planted on the courthouse sod.

John Golding was taken into custody after refusing to desist from making a curb speech on why the authorities should turn "that d—negro over to us", which was profusely interspersed with profanity. He was lodged in the county jail.

The raising of the American flag on the lawn in front of the courthouse, signifying the taking over of the city and county by federal troops, did the work that fifty guns could not have done, in the opinion of Brigadier General Francis Marshall, military governor of Lexington. Immediately after the arrival of the first detachment of federal troops at the Courthouse square Old Glory was given a position directly in front of the courthouse, guarded by two six-foot sergeants.

The troop train was accompanied by a detachment of newspaper correspondents.

General Marshall's first official act as military governor of the city was to issue passes to newspaper men.

A short time after relinquishing military control of the situation here, Adjutant General Dewees made the following statement:

"I am sorry that there should be bloodshed, but I am sure that my men were justified in opening fire when they did."

Fear that mobs would raid the University of Kentucky arsenal to obtain rifles, prompted Brigadier General Francis Marshall to send guards from the first detachment of arrivals to guard the campus. Two delegations of men visited Major A. S. J. Tucker in the afternoon demanding use of the arms. A statement that the guns were federal property and that no ammunition was kept there, turned both away.

With the arrival of 400 troops of the First Division from Camp Zachary Taylor early this afternoon, state and county authorities relinquished control of the city and placed the protection of the city in the hands of the national government.

The troops are members of the 26th and 28th Infantry companies which are stationed at Camp Taylor. They were rushed to Lexington fol-

lowing the outbreak Monday between state troops and scores of citizens which resulted in the death of five and the wounding of nineteen or more persons.

The troops are completely equipped and are prepared to meet any situation which may arise. Practically all of the men are overseas veterans, having seen action with the First Division, which was the foremost combat division of the American Expeditionary Forces.

A rumor after the shooting that County Judge Frank A. Bullock fired shots into the crowd is without foundation. Judge Bullock was in the courtroom when the firing began standing within a few feet of the bench. He was in plain view of everyone in the room.

Judge Bullock's statement given out as soon as he heard the rumor, which was followed by threats, follows:

"A rumor has been circulated that I fired some shots this morning during the attempt of the crowd to rush and overpower the soldiers, and that as a result of my shots two men were hit. The rumor is entirely false in every particular, and at the time of the firing I was in the circuit court room during the trial of William Lockett, and the first notice I had of any trouble was hearing the shots fired."

HINES REFUSES MORE PAY TO RAILROADERS

(By Associated Press)

Washington, Feb. 10.—It was generally believed that Director General Hines would go today before representatives of the two million railroad workers and inform them that their wage demands could not be granted. It was understood he is not willing to go further than adjust wage inequalities.

(By Associated Press)

Washington, Feb. 10.—Wage negotiations with the railroads' employees with Director General Hines reached a critical stage today, insofar as the brotherhood of railway trainmen are concerned and a strike looms unless the "pending demands are satisfactorily settled." W. G. Lee, President of the union, and Hines are to confer this afternoon.

CLARK FARMER HIT BY FAST TRAIN

Mr. William Green, who lives near Winchester, was badly hurt Tuesday about noon when in an effort to cross the L. & N. track in his buggy the fast train going south struck him. He was thrown out, his right leg broken, and severely bruised, but it is not thought his injuries are serious. He was brought on the train to the Pattie A. Clay Infirmary in this city, where he received medical attention. The accident happened a few miles this side of Winchester.

Lockett 'Dreads Going To Hell

Frankfort, Ky., Feb. 10.—The first statement made by William Lockett, negro, convicted in Lexington of the murder of Geneva Hardman, 10 years old, after he was sentenced to die in the electric chair, was to Rev. Walter Vreeland, chaplain of the Frankfort penitentiary.

Rev. Vreeland has been Lockett's spiritual adviser since he was confined here last week, and has been tireless in his efforts to have the negro realize the enormity of his crime and sin he has committed.

Lockett's statement follows: "I have been praying day and night, but I don't feel like I'm saved. It is such an awful thing. It is hard to be forgiven for."

"Sometimes I feel a little more hope of God forgiving me. Since the judge sentenced me to die I feel better to think now I am attempting to make amends by giving up my life for the loss of that of the little girl I mistreated so brutally."

"I am not afraid of anything the mob can do to my body, but I dread the idea of going to hell. I am going to try to do what you tell me and I am praying to God to cast the evil spirit out of my life."

"I am not going to stop praying until the end of my life on earth. I wish to be right with God if I can be saved. If the mob gets me you can tell them that I said I am not afraid of anything the mob can do to my body, but I realize I have no other friend on earth beside Him."

CONGRESSMAN SWOPE HERE WITH FRIENDS

Congressman King Swope dropped in on his friends in Richmond Tuesday morning, and spent several hours here shaking hands. He was back from Washington on a short trip to Kentucky, and has been taking this opportunity of going over the district and meeting his friends, and incidentally fixing up his fences for the coming race this fall.

Congressman Swope has the unique distinction of being the second republican congressman from the 8th district in its history and he is also the youngest congressman in the House of Representatives. That he will be re-nominated by his party goes without saying. He will not have any opposition there. A very interesting race promises to develop, however, when a democrat tackles him in November. Swope defeated Judge Charles A. Hardin of Mercer county, by over 1,500 majority in the special election to fill the vacancy caused by Congressman Harvey Helm's death. It will be recalled. His friends say they are confident that he can turn the trick again. He isn't doing any bragging about it, however, but seems confident, and is going ahead about his business without appearing to worry over the future in politics.

Swope has made a good impression in Washington, and is said to be looking after his constituents with energy and fidelity. He occupies a commanding position among Kentucky republicans and many are predicting that he may be his party's next nominee for governor.

DR. CLARK HERE TONIGHT

Dr. Charles Upson Clark, who comes to Richmond today for the purpose of addressing the students body of the Eastern Kentucky State Normal School tonight and Wednesday night, has just returned from a three months' tour in Europe, during which he interviewed King Ferdinand and Queen Marie of Roumania, King Victor Emmanuel, and many other distinguished personages. Dr. Clark fills the second number of the Lyceum Course this year. Before sailing for Europe, the Lyceum Committee of the Normal School contracted for the appearance of Dr. Clark.

He will lecture during his stay here on two of the following subjects: Greater Roumania; The Balkans in Reconstruction; The Adriatic Problem; Will Central Europe Starve? The Roumanian Language and Literature; The History of Roumania's Struggle for Unity.

There will be a charge of only 35 cents made for admission on Tuesday and Wednesday evenings. He will appear before the students body at Chapel Wednesday morning. No charge will be made to anyone at the Chapel hour.

TREATY WILL COME UP NEXT WEEK

(By Associated Press)

Washington, Feb. 10.—The peace treaty was referred to the Senate Foreign Relations Committee yesterday, to technically get rid of the cloture. It was reported back today by the committee without debate or a record vote. Republican and democratic leaders agreed not to take it up in the Senate until next week.

JAILER WINS SUIT OVER CITY TAXES

Jailer W. H. Burgess is not liable to the city of Richmond for city taxes for the year 1918, according to a decision handed down by Judge Shackelford in Circuit Court Monday.

At that time Jailer Burgess owned his home in the county and Judge Shackelford held that was his domicile, for purposes of taxation. As Jailer Burgess has since sold his farm in the county, the question of what may be decided about taxes for other years was not acted upon.

The suit came up in circuit court upon the city's appeal from judgment in favor of the Jailer in lower courts. Jailer Burgess had contended that having been elected Jailer of Madison county, he came to Richmond temporarily to fill the office to which he had been chosen, and that he was not liable for taxes in the city of Richmond any more than state officials who go to the state capital at Frankfort for a period of four years are liable for city taxes in Frankfort.

The lower courts decided in favor of Jailer Burgess, but the city carried the case on to the circuit court, which has now decided in his favor for the year complained of.

English Parliament Opens In Ancient Style

(By Associated Press)
London, Feb. 10.—For the first time since 1914, witnessed the ancient ceremony of state in the opening of parliament with the traditional pageantry. King George and Queen Mary and the Prince of Wales, composing the royal party were received by members of both houses of parliament. King George read his speech from the throne.

Reds Menace the Japs

(By Associated Press)
Honolulu, Feb. 10.—Siberian Bolsheviks have captured Alexander Derovsk, the capital of the Island of Sakhalin, according to a Honolulu Japanese newspaper. Incursions of bands of insurgents in northern Korea with the assistance of Bolshevik seems to indicate menace to Japan from the Reds.

Two Crooks Captured

(By Associated Press)
Louisville, Feb. 10.—In raids last night on poolrooms and roominghouses among those caught in the dragnet were A. J. Denison and Milton Brion, who detectives believe are the safe crackers who have robbed several local firms. Both had automobiles and according to the police may be connected with various state bank robberies.

Willie Offers To Surrender

Washington, Feb. 10.—The former German Crown Prince cabled President Wilson offering to surrender for trial if the allies insist. White House officials refused to make the text of the message public.

SIXTEEN JOIN POST SO FAR IN DRIVE

Leaders Are Anxious To Obtain 300 Members—Appeal To Ex-Service Men

Sixteen new members have been added to the local Post of the American Legion since the drive for members started. It is hoped by the officers of the post that fully 300 members can be added. They say that with the many hundreds of young men that Madison furnished during the war that the membership really ought to be nearer 500 than 300. The names of those who have been added to the rolls since the drive began are as follows:

JOE P. FOLEY,
EDWIN P. PHELPS,
RAY W. HORMAN,
CLYDE BAUGHMAN,
AL H. TURPIN,
HERB HENDREN,
JOHN FENISTON,
LEWIS SANDLIN,
JACK BROWN,
CHARLES M. GREY,
W. P. TURNER,
J. H. JEFFERIES,
FRANK PRATHER,
CALVIN C. MARTIN,
F. P. CALDWELL.

The officers of Jesse Dyer Post have issued the following call to ex-service men:

Veterans of the World War, Soldiers, Sailors and Marines—

It should be a every world war veteran to join the American Legion. Why? First—Because it is an honor to belong to an organization of men who were the saviors of the world and ended Kaiserism. All you have to do is to think. Veterans go to the Daily Register office and ask for papers dated in July, August, September, October and November, 1918, and there you will see for yourselves why you should join the American Legion.

Second—It is an organization that will be a monument to our comrades who made the supreme sacrifice, and will perpetuate their memory in our souls.

Third—Every veteran should consider it a great opportunity to belong to an organization of men who fought under Old Glory; for example, look at the civil war and Spanish-American war veterans. Sons of them old and feeble, who attend their great reunions and low their snow-white heads in solemn prayer for those comrades who fell almost three score years ago, fighting for a noble cause. Why should you hesitate to join an organization of men who fought in the greatest war the world has ever known. Some ask what the American Legion's purposes are. The following are the Constitution and By-Laws in full so that every man may read and know:

ARTICLE I

Section 1. This post is number 12 of the American Legion of Kentucky; and is further designated Jesse M. Dykes Post.

ARTICLE II

Section 1. For God and Country we associate ourselves together for the following purposes:

To uphold and defend the Constitution of the United States of America; to maintain law and order; to foster and perpetuate a one hundred per cent. Americanism; to preserve the memories and incidents of our association in the Great War; to inculcate a sense of individual obligation to the community, State and Nation; to combat the autocracy of both the classes and the masses; to make right the master's might; to promote peace and good will on earth; to safeguard and transmit to posterity the principles of justice, freedom and democracy; to consecrate and sanctify our devotion by our devotion to military and naval service.

ARTICLE III

Section 1. While requiring that every member of the organization perform his full duty as a citizen according to his own conscience and understanding, the organization shall be absolutely non-partisan and shall not be used for the dissemination of partisan principles or for the promotion of the candidacy of any person seeking public office or preferment.

ARTICLE IV

Section 1. All persons shall be eligible to membership in this organization who were in the military or naval service of the United States during the period between April 6, 1917 and November 11, 1918, both dates inclusive, and all persons who served in the military or naval service of any of the governments associated with the United States during the World War; provided that they were citizens of the United States at the time of their enlistment and who are again citizens at the time of application, except those persons who separated from the services under terms amounting to dishonorable discharge, and except also those persons who refused to perform their military duties on the ground of conscientious objection. Non-residents of town or State otherwise eligible to be admitted to membership on application.

WIDE AWAKE AND ACTIVE IS CLAIM OF LETTER MAN

Say He Performs Duties With
Renewed Vim Because Of
Trutona

Bowling Green, Ky., Feb. 9.—"I'm wide awake and active and really feel like working; seems as though I'm able to perform my duties with a new vim since taking Trutona," C. W. Howerton, well known letter carrier here who lives at 106 Fourteenth St., said a few days ago.

"I hadn't been feeling well and I was afraid to 'lag' along as 'flu' time was drawing near," Mr. Howerton continued. "My digestion was poor and although I slept well, my sleep didn't seem to be restful as I usually felt lifeless, tired and draggy. My liver and kidneys weren't acting normally either. I felt drowsy and sleepy most all day."

"After several of my neighbors had spoken to me about Trutona I finally decided to try the medicine. As I just said I can perform my duties with a new vim since taking Trutona. I'm wide awake and active and feel more like working it seems. Trutona gave me quicker relief than any other tonic I have ever taken and because of the quick, thorough benefits I have gained through it I am glad to recommend this medicine."

Trutona is now being introduced and explained in Richmond at the Richmond Drug Company.

WASTE OF WATER

There is a waste of over 350,000 gallons of water every 24 hours, by consumers letting faucets run mostly at night. This waste of water not only entails great and useless expense, but it may make it impossible to furnish adequate water pressure in case of fire. We hope that all water consumers will appreciate these conditions and take pains to confine their use of water within reasonable bounds.

Born in 1839 Dr. Caldwell Still in His Office Daily

Wonderful vigor of the founder of Dr. Caldwell's Syrup Pepsin.
Millions now use his famous prescription

Physicians know that good health depends largely upon proper digestion and elimination and that much sickness results from constipation. No one knows this better than the "family" doctor, the general practitioner.

Dr. W. B. Caldwell of Monticello, Illinois, was and is a family doctor. The whole human body, not any small part of it, was his practice. More than half his "calls" were on women, children and babies. They are the ones most often sick. But their illnesses were usually of a minor nature—colds, fevers, headaches, biliousness—and all of them required first a thorough evacuation. They were constipated.

Dr. Caldwell in the course of 40 years' practice, for he was graduated from Rush Medical College back in 1875, had found a good deal of success in such cases with a prescription of his own containing simple laxative herbs with pepsin. In 1892 he decided to use this formula in the manufacture of a medicine to be known as Dr. Caldwell's Syrup Pepsin, and in that year the preparation was first placed on the market. The picture of Dr. Caldwell that appears on the package was taken in that year.

The preparation immediately had as great a success in the drug stores as it previously had in the doctor's private practice. Today the third generation is using it.

Mothers are giving it to their children who were given it by their mothers. Every second of the working day someone somewhere is going into a drug store to buy it, for Dr. Caldwell's Syrup Pepsin is selling at the rate of over 6 million bottles a year.

Its great success is based on merit, on repeated buying, on one satisfied user telling another. There are thousands of homes in this country that are never without a bottle of Syrup Pepsin, and the formulator of that prescription is fortunately living to see its wonderful success.

Women, children and elderly people are especially benefitted by Dr. Caldwell's Syrup Pepsin. While it is promptly effective on the most robust constitution and in the most obstinate cases, it is mild and gentle in its action and does not cause griping and strain. Containing neither opiates nor narcotics, it is safe for the tiniest baby and children like it and take it willingly.

Every drug store sells Dr. Caldwell's Syrup Pepsin. Keep a bottle in your home. Where many live someone is sure to need it quickly.

DR. W. B. CALDWELL TODAY
Born Shelbyville, Mo., March 27, 1839
Began the manufacture of his famous prescription in 1892

In spite of the fact that Dr. Caldwell's Syrup Pepsin is the largest selling liquid laxative in the world, there being over 6 million bottles sold each year, many who need its benefits have not yet used it. If you have not, send your name and address for a free trial bottle to Dr. W. B. Caldwell, 511 Washington St., Monticello, Illinois.

PERSONAL AND SOCIAL

Reception at Eastern

The faculty reception for third-term students of the Eastern Kentucky State Normal School was held in Roark building on the campus on Saturday evening, Feb. 7th. The long hall and reception room were decorated very artistically with flags, palms and ferns which transformed them into beautiful parlors for the occasion. As the students arrived they were directed to the reception room where they met their teachers and fellow-students. The receiving line, headed by President Coates, Miss Van Greenleaf and Miss Vernon Horn, stood near the front entrance of the room and the faculty members made it a point to meet all of the new students. At the rear were three large punch bowls on a table surrounded by a forest of palms and ferns, and Miss

Davis with a efficient corps of assistants served frappe during the entire evening. The Elder Orchestra furnished music which added much to the enjoyment of those present and made this the most delightful of receptions given in the school. This was a splendid get-acquainted gathering of faculty and students and begins the new term with a fine spirit of sympathy and co-operation.

To Be Married

The marriage of Miss Louise Scrivner to Mr. Charles Michler, will take place this (Tuesday) evening at 8 o'clock at the home of Mr. and Mrs. Irvine Miller Scrivner, 362 Aylesford place, Lexington. Rev. Thomas H. Steele of the church of the Good Shepherd will be the officiating minister. Miss Scrivner will be given in marriage by her brother, Mr. Irvine Scrivner, Jr., and the best man will be Mr. Frank Tuttle. Messrs. Jesse Tapp and William Campbell will be the groomsmen. After the wedding the bridal pair will leave for a trip. On their return will go to housekeeping in their apartment on Park avenue.—Lexington Herald.

Entertained Piano Club

Miss Lynn Evans delightfully entertained the Piano Club at her home in Burnamwood Monday afternoon. The musical numbers were given by Misses Eula Mae Warren, Mary Arnold, Margaret Telford, Myrtice Todd, Lilian Burnam, Lynn Evans, Leop Pife and Frances Mays. At the conclusion of the program a pleasant

social hour was enjoyed at which time the hostess served delicious refreshments.

Just Yellow Mustard For Backache, Lumbago

Grandmother's old mussy mustard plaster or poultice generally brought relief allright even in the severest cases, but it burned and blistered like blazes. "Heat eases pain," reduces the inflammation and scatters congestion but you'll find that while Begy's Mustardine, made of true yellow mustard and other pain destroyers is just as hot as the old fashioned plaster; it is much quicker, cleaner and more effective and cannot blister.

It's a great external remedy—just rub it on wherever aches, pains, inflammation, congestion or swelling exists and in a very few minutes the relief you have longed for surely arrives because "Heat eases pain." 30 and 60 cents at druggists or by mail S. C. Weiss & Co., LeRoy, N. Y. It

Lalley

Light and Power
Saved Lives in France

Specifications: Over-all Dimensions—Length 31 1/2 inches, Width 15 1/2 inches, Height 22 1/2 inches, Net weight 325 pounds

During the year 1918, more than 12,000 farmers preferred Lalley Electric Light and Power for its very positive savings.

The Government selected Lalley Light to do a very different kind of work in France, but it chose this plant for that very same efficiency which saves time, saves money, and saves labor on the farm.

In our army hospitals in France, Lalley Light saved good American lives by furnishing a strong, steady flow of electricity for the X-Ray machines and unfailing light for difficult and delicate operations

Private Irving H. Taylor, U. S. Army Ambulance Service, writing from France in 1918, said:

"The other night I ran into a Lalley plant at an evacuation hospital, turning out current for operating rooms and X-Ray equipment. I was told that for 18 hours straight, the Lalley had been purring away helping save the lives of Uncle Sam's men."

Lalley Light served on submarine chasers, at naval coast stations, in cantonments, in Liberty Loan campaigns.

J. W. Hoopes, executive manager of the Federal Reserve Bank, Dallas, Texas, wrote:

"The service rendered by the two Lalley Light plants on War Relic Trains, Units 1 and 2, which have just finished a tour of the Eleventh district

on behalf of the Fourth Liberty Loan, was all that could be desired.

"The big city plants could not have given us better service."

But that was not all. On more than 12,000 farms—during the busy, high-tension producing season of 1918—Lalley Light was saving the labor of men.

It was releasing men to fight, or serve some other way.

It was helping to increase the production of food. It was saving money that was loaned to the Government.

It is going right on with these savings to its users—it will do the same for you.

Now is the time to see the Lalley Light plant—at our store or on your farm.

GREAT OPPORTUNITY FOR EX-SERVICE MEN

Is Offered By Educational Fund
Of Y. M. C. A.—Should See
Local Committee

The first meeting of the Educational Service Committees, which includes Madison county, was held at the Phoenix Hotel last week. There were representative there from about 20 counties. These counties are included in what are known as "The Student Paris and Lexington Districts of the Y. M. C. A. work." There was one representative from each county present. The whole matter of the Y. M. C. A. fund for ex-service men was gone into, and the county representatives were given full information that they might give the best service in their county to men who wanted to take advantage of going to some school or taking correspondence courses through the fund made available by the Y. M. C. A. In each county there are three men who have in charge the interest of the ex-service men.

At different times during the next few months similar meetings to the one just held will be called, at which time, actual awards will be made. The money is available now and ex-service men may take instant advantage of it.

It should be the duty of the whole community and county to see personally ex-service men, and if they want to go to school or take correspondence courses they should go to their County Committeemen and get the information. Following are the schools which have been placed upon the credited list, and others will be added to it at once:

All Smith-Hughes High Schools, Y. M. C. A. Night School of Louisville, Y. M. C. A. Night School of Cincinnati, State Normal Schools, Bowling Green Business University, Bethel College, Union College, Williamsburg College, Oneida Institute, Lincoln Institute, Sue Bennett Memorial School, Pikeville Institute and all members of the Kentucky College Association. Other schools will be placed on this list soon.

There is a Y. M. C. A. Correspondence School with headquarters at New York, which is designed to serve in the whole United States. It offers splendid courses in agriculture, farm mechanics and business subjects. Fuller information on this will be given in each county and is in the hands of the county committee.

It is the desire of the Y. M. C. A. to make this money go as far as possible, and to serve as many soldier as it can. The amounts for each county are not so large, but by supplementing what a man has here and there and giving larger amounts to the more needy a number of men in each county can be given educational advantages. It is the duty of the public, the pastors, officers of law and other public spirited citizens to see that in this time of reconstruction that as many as possible of its soldier sons take advantage of any and all educational opportunities.

The committee for Madison county is composed of Messrs. Hart, Perry, F. C. Gentry, R. E. Turley and Prof. Chas. Lewis, of Berea, who will be glad to furnish application blanks and give information.

The Y. M. C. A. secretary of this district is Karl P. Zerfoss, who will cooperate with the county committee and desires to help every soldier possible in the county. His address is Y. M. C. A., Lexington, Ky.

Chronic Constipation

There are people who never have a movement of the bowels without it is produced by a cathartic. Most of them brought that condition on themselves by the use of mineral waters and strong cathartics that take too much water out of the system and aggravate the disease they are meant to relieve. A mild laxative tonic like Chamberlain's Tablets afford a gentle movement of the bowels that you hardly realize has been produced by a medicine, and their use is not so likely to be followed by constipation. ORGANIZE TO MAKE BETTER BOYS AND GIRLS

(By Associated Press)

Peru, Ind., Feb. 10.—Cain & Co., Unlimited, has been organized on a farm in this (Miami) county with two objects, better boys and girls and more corn and hogs. The stock, amounting to \$27,500, is all held by the members of the family of R. C. Cain, a wealthy farmer, near here. The president of the \$27,500 company is a 14-year-old boy, Sterling Cain, eldest son of Mr. and Mrs. R. C. Cain. His brother, Wallace, aged 9, is vice president and his father is secretary-treasurer of the company. The board of directors of the unique organization is composed of the officers and one other—Mr. R. C. Cain, who frequently is referred to as the "general manager."

"The way to keep boys on the farm now-a-days and keep them interested," said Mr. Cain in explaining the organization, "is to let them have a share in the business and to make them feel that they are a part, an important part, at that, in the organization. That is why we have formed a company within the family."

"The main purpose of the company is to interest our children in the farm

and the secondary object is to increase farm production."

Both the president and the vice president of the company has his own checking account at the bank. The president, outside of school hours, devotes most of his time to the big department of the organization, while the vice president, besides home from school to look after the flock of pure bred Buff Orpington chickens.

Sell Vulcanizing Plant

Mr. S. J. Grubbs, who has operated the Richmond Vulcanizing Company must successfully for the past several months, has sold out to the firm of Cox & Siler. It is understood that Mr. Grubbs will go into some other business in Richmond at an early date.

FOR THE CHILDREN

Too much care cannot be exercised in selecting a cough medicine for children. It should be pleasant to take, contain no harmful drug and most effective in curing their coughs and colds. Long experience has shown that Chamberlain's Cough Remedy meets these conditions. It is a favorite with many mothers.

Commissioners Sale

Ermine Broughton, Plaintiff

vs.

Kathleen Broughton, etc. Defs.

Pursuant to judgment and order of sale entered in the above styled action by the Madison Circuit Court at its February term, 1920, the undersigned Commissioner will expose to public sale to the highest and best bidder, on

Wednesday, February 25, 1920,

at the hour of 11 o'clock a. m.

in front of the Court House door in Richmond, Ky., the following described property:

A tract or parcel of land in

Madison county Ky., and containing 50 acres more or less,

and adjoining the lands of Seth Cornelson, C. C. Ogg, F. M. Watson and Brookner Ellis, and being the same land conveyed to Ermine and Kathleen Broughton by W. C. Ogg etc., by deed of record in the Madison county Clerk's office in deed book 89, page 89, reference to which is here made for a more particular description.

Terms: Said property will be sold on a credit of six and twelve months, the purchaser being required to execute sale bonds with approved security payable to the Commissioner and bearing 6 per cent interest from day of sale until paid, with a lien retained on the said property until said bonds and interest are fully paid.

What to do for Indigestion

"Pape's Diapepsin" by neutralizing the acidity of the stomach, instantly relieves the food souring and fermentation which causes the misery-making gases, heartburn, flatulence, fullness, or pain in stomach and intestines.

A few tablets of "Pape's Diapepsin" bring relief almost as soon as they reach the stomach.

They help regulate the disordered stomachs so favorite foods can be eaten without distress—Costs so little at drug stores.

PAINT LICK

The many friends of Gordon Mason will regret to know he lost his hand and part of his left arm by being caught in his fodder shredder. He was taken to the Berea hospital for treatment.

The T. R. Shaw farm was sold to Center Bros. for \$901 per acre. It is thought G. Cox, their brother-in-law, will occupy the farm.

The wedding last Thursday in Lexington came as a surprise to their many friends. The contracting parties were Mr. James Harve Ralston to Miss Ora Estridge, both of Paint Lick. Mr. Ralston is now traveling for a merchant tailoring company of Cincinnati. We wish for them all the blessings this life can give.

Mrs. Fanny Francis has been on the sick list for several days but is improving now.

The Paint Lick Presbyterian church at Maus has called for Rev. W. A. Ramsey, who now preaches near Louisville.

Rev. Gates, of near Maysville, was to preach for the Mt. Tabor people last Sunday, but failed to occupy the pulpit.

The Methodist Quarterly Conference at Walnut was called for Sunday Feb. 8th, but the minister failed to come.

The pikes are cutting through and no work of rock is in sight to repair them. The big trucks are very hard on the roads and if something is not done soon, we will have almost dirt roads to travel.

Mr. and Mrs. Bennett Roop are re-

joining over the arrival of a son born last Thursday. He has been named Joe Roop.

Andrew Gwyn, who has had scarlet fever has recovered and will soon be in school again.

The Best Insurance Against Influenza

Prominent Educator Believes That Vapomenthia Is A Sure Preventive

Dr. R. M. Brame, discoverer of Brame's Vapomenthia Salve, has a letter from C. C. Wright, Superintendent of the Wilkes County, N. C., Public Schools, in which he says: "We have used Brame's Vapomenthia Salve for nearly all the ills for which it is prescribed and have always secured satisfactory results. If used in time it has never failed to break up colds, usually the forerunner of Grippe, Influenza and Pneumonia. I speak from personal observation. I believe if this preparation is used in time it will prevent the development of pneumonia in every instance, if used according to directions."

These strong statements are fully justified by the remarkable recoveries that follow Brame's Vapomenthia Salve is applied freely over the chest and throat and inserted in each nostril.

Brame's Vapomenthia Salve penetrates the pores of the skin, relieving congestion, at the same time healing vapors arise and are breathed through the mouth and nose, loosening the phlegm and causing the patient to breathe freely. Its absolute reliability is evidenced "by dozens" of unsolicited testimonials. Brame's Vapomenthia Salve will relieve pneumonia, influenza, grippe, pleurisy, bronchitis, whooping cough, catarrh, asthma, tonsillitis, hay fever and inflammation of the skin.

Vapomenthia is applied externally, and it will not stain the clothes, as other salves do. No home should ever be without it. Buy it from your dealer or direct from the Brame Drug Co., North Wilkesboro, N. C. A small bottle costs 25c; a much larger one, containing six times as much, \$1.20.

SNOWS KEEP PRICE OF POTATOES UP IN NORTH

Ashland, Wis., Feb. 10.—The heavy snowfall in Wisconsin is playing an important part in boosting the price of potatoes and other farm commodities according to local dealers. Not in years has the cold been continuously as intense as this winter. Not in years has there been such a snow fall. In many parts of northern Wisconsin the road beds have been filled with snow to a depth of four to five feet. As a consequence no potatoes have been brought into the cities for weeks. The price of potatoes continues to rise and this is more or less true of butter and eggs and other farm products. It is expected that when potatoes and other farm products begin to flood the markets in April the prices will be forced down at once.

ROAD BUILDERS MEETING AT LOUISVILLE THIS WEEK

Louisville, Ky., Feb.—Thirty-five hundred state road officials, builders and road material exhibitors from every part of the nation are expected to attend a convention of the American Road Builders' Association here February 9 to 14.

The National Crushed Stone Association and the American Asphalt Association will hold meetings at Governor Morrow, Kentucky, has invited every governor and mayor of the country, in order that they, in cooperation with road officials, may work out problems connected with the proposed expenditure for road construction of approximately \$1,000,000,000.

Two hundred thirty-one varieties of road building machinery and tools will be exhibited at the armory.

E. L. Powers, New York, secretary of the Road Builders' Association is here arranging for the congress, which, it is said, will be the largest of its kind ever held.

PERIODIC BILIOUS ATTACKS

Persons subject to periodic bilious attacks will observe that their appetite fails them just before an attack. That is, they do not really crave food but eat because it is meal time. If they will eat only a light meal and no meat, then take two Chamberlain's Tablets the attack may be avoided.

One-half of the inmates of the school of Reform are sub-normal, according to the report of Dr. C. B. Cornell, whose investigation covered nine months.

GLAD TO TESTIFY

Says Watoga Lady, "As To What Cardui Has Done For Me, So As To Help Others."

Watoga, W. Va.—Mrs. S. W. Gladwell, of this town, says: "When about 15 years of age, I suffered greatly. . . Sometimes would go a month or two, and I had terrible headache, backache, and bearing-down pains, and would just drag and had no appetite. Then . . . it would last . . . two weeks, and was so weakening, and my health was awful."

My mother bought me a bottle of Cardui, and I began to improve after taking the first bottle, so kept it up till I took three. . . I gained, and was well and strong, and I owe it all to Cardui.

I am married now and have 3 children. . . Have never had to have a doctor for female trouble, and just resort to Cardui if I need a tonic. I am glad to testify to what it has done for me, so as to help others."

If you are nervous or weak, have headaches, backaches, or any of the other ailments so common to women, why not give Cardui a trial? Recommended by many physicians. In use over 40 years. Begin taking Cardui today. It may be the very medicine you need.

MISSOURI COUPLE DEED FARM TO JESUS CHRIST

(By Associated Press)
Moberly, Mo., Feb. 10.—A deed of trust, turning over to Jesus Christ 120-acres of Randolph county land near here, has been found in the Randolph county courthouse. It was made 70 years ago by Mr. and Mrs. Johnson Wright, who were said to have been very pious.

After the couple's death, their descendants continued to live on the land and have never contested the instrument. In part, it follows:

"This indenture, made and entered into this 6th day of June A. D., one thousand and eight hundred and fifty, between Johnson Wright and Eliza Jane, his wife, of the county of Randolph, and state of Missouri, of the first part, and the government of the chief administrator, King of Righteousness, the Son, the Fountain of Life, to the General Assembly and church of the first born which are written in heaven and to God, the judge of all, and Jesus, mediator of the new covenant, and to the blood of sprinkling that speaketh better things than that of Abel, because he died for us."

Mr. M. A. Logsdon left Wednesday for Cincinnati on business.

FORMER ARMY FLYER CHANGING PLANES IN AIR

A very unusual photograph showing Al Wilson of Los Angeles, Cal., about to change from plane to plane many hundreds of feet in the air. Standing on the upper wing of the lower plane, Wilson grasped the lower wing of the upper plane and swung himself to it, absolutely unaided. Of the many plane-changing feats performed recently it is safe to assume that this is the most daring. Wilson was in the aviation corps of the army.

SCIATIC PAINS QUICKLY RELIEVED

Insist on Genuine Ford Parts

Imitation "Ford" parts are being sold by many mail-order houses, downtown stores and garages to unsuspecting Ford owners as "Ford" parts. But they are not Genuine Ford parts made by the Ford Motor Company. They are made by concerns who have no connection whatsoever with the Ford Motor Company. These imitation parts are not even made from the same grade of steel, or under the same formulas used by the Ford Company. They are counterfeit parts. Tests have shown them to break when the genuine Ford parts didn't even bend, and they generally are from thirty-five to one hundred per cent lower in quality.

The Authorized Ford Dealer is your protection. As such, we handle nothing but the Genuine Ford parts. They are made from the famous Ford Vanadium Steel and each part—according to its use—is heat-treated in the way that will give it the longest wearing qualities. Every part is the same as its duplicate in your Ford truck.

Our stock of parts is complete. And our Ford garage and Ford mechanics are at your service at all times. Drive in when replacements or repairs for your Ford car may be necessary. Save your car and also your money.

We, the undersigned, hereby certify that the foregoing is a true and correct copy of the Constitution of the Jesse M. Dykes Post of the American

Legion of Kentucky, State Post No. 12, as adopted at a duly called and constituted meeting of said Post held at Richmond in the county of Madison and state of Kentucky, this 21st day of January, 1920

SPEARS TURLEY,

HARRY D. RICE,

Chairman Executive Committee

Post Commander

By-Laws

ARTICLE I

Name.

Section 1. The Post existing under these by-laws is the Jesse M. Dykes Post, of the American Legion, of Kentucky, State Post No. 12.

Section 2. The object of this Post is as set forth in the Constitution.

ARTICLE II

Management.

Section 1. The government and management of the Post is entrusted to a temporary Executive Committee to be known as the Executive Committee.

Section 2. The Executive Committee shall consist of five members to be elected at a meeting of the Post called for that purpose and, thereafter, at the annual meeting of the Post, in addition to the officers of the Post as ex-officio members. The Executive Committee from any cause other than the expiration of a term shall be filled by a majority vote of the entire committee. A person so appointed shall hold office for the unexpired term of the member of the committee whom he succeeds.

ARTICLE III

Powers of the Executive Committee.

Section 1. The Executive Committee shall have charge of the government and management of the Post and shall direct and control such subcommittees as may be appointed. It shall have power to admit by ballot candidates for membership in the Post, a majority vote of those present being required for election. It may recommend that the members of the Post be expelled or suspended for one week's written notice of the charges against him and of the time when he can submit to the committee a written answer to such charges, not without two-thirds of the members present so voting.

Section 2. The Executive Committee shall prescribe the rules for the use of Post Headquarters and any other building used by the Post, and may modify or revoke the same; it shall fix penalties for violation of the rules and have power to enforce the same and also to remit such penalties.

Section 3. There shall be elected a Post Commander, a Vice-Commander, an Adjutant, a Finance Officer, a Historian and a Master-at-Arms. Each Post, such election to be at a meeting of the Post, and they shall hold office for one year or until their respective successors have been chosen. The officers shall be ex-officio members of the Executive Committee. The Executive Committee may appoint a Chaplain of the Post and such other officers as may be required.

Section 4. The Commander or Chairman of the Executive Committee and, in his absence, the Vice-Commander, shall preside at all meetings of the Post and of the Executive Committee. In the event of their absence, such meeting may elect their presiding officer or may adjourn.

Section 5. The Adjutant shall give notice of all meetings of the Post and of the Executive Committee and shall keep minutes of such meetings. He shall conduct the correspondence, and keep the records of the Post, including lists of the names, addresses and previous military or naval organization of the members. He shall furnish to the Post Finance Officer the names of all persons elected to membership and shall also advise him of all transfers or changes affecting membership. He shall notify candidates of their election.

Section 6. The Finance Officer shall, subject to the control of the Executive Committee, be charged with the collection and custody of the funds of the Post, including all dues, and shall keep its accounts and report thereon at each regular meeting of the Executive Committee. His accounts shall be audited annually. He shall pay all bills when audited and approved, in such manner as the Executive Committee shall prescribe.

ARTICLE IV

Membership.

Section 1. All persons shall be eligible to membership in this Post who are eligible to membership in the American Legion under the Constitution of the Kentucky State Organization of the American Legion, including non-residents of this local jurisdiction or state.

Section 2. Any person eligible to membership as aforesaid may become a member of this Post upon his election by the Executive Committee and payment of dues for the prescribed period, and upon signing an application and card for enrollment as member of the American Legion.

Section 3. Each candidate for membership must be proposed by a member of the Post. He must give me his name, address and brief statement of his military and naval record, including organizations in which he served during the World War.

Section 4. If any elected candidate shall not, within ten days after his election, pay to the Post Finance Officer his dues his election shall be void.

ARTICLE V

Dues.

Section 1. The dues of members shall be (\$2.50) two dollars and fifty cents payable with application, and in advance thereafter, as required.

Section 2. From such dues the Post shall pay 50 cents per member to State Headquarters of American Legion for State expenses, \$1.00 per member to National Headquarters for National Expenses and he receives American Legion Weekly for one year, the remaining \$1.00 to be used by Jesse M. Dykes Post No. 12 for expense purposes in its own discretion.

ARTICLE VI

Penalties.

Section 1. A member failing to pay any required amount due the Post including his yearly dues, shall be liable to have his membership forfeited at a regular meeting of the Executive Committee.

Section 2. The Post shall be entitled to representation in the State organization as hereinafter provided, only upon the basis of the number of members who have actually paid their dues 30 days prior to the first State Convention.

ARTICLE VII

Representation of the Post in the American Legion.

Section 1. _____ and _____

for the purpose, by a majority vote of those present at the meeting. Meeting for the election of delegates and alternates shall be held at least fifteen days before the State Convention which they are to attend.

ARTICLE IX

Notices.

Section 1. Every member shall furnish to the Adjutant an address to which all notices and documents may be sent and the same shall be held to have been duly sent to or served upon a member when posted or otherwise mailed to him at the address so furnished.

Section 2. Ten days previous notice shall be given of all special meetings of the Post and five days previous notice of all meetings of the Executive Committee.

ARTICLE X

Section 1. There shall be an annual meeting of the Post on a day to be hereafter named by the State Executive Committee, and at a designated time and place. If no quorum is present, the presiding officer shall adjourn the meeting to a subsequent date.

Section 2. The Chairman or a majority of the Executive Committee, shall have power to call special meetings of the Post at any time.

Section 3. Upon the written request of a reasonable number of members, the Executive Committee shall call a special meeting of the Post.

Section 4. Twenty per cent of the members in good standing shall constitute a quorum at any meeting of the Post.

ARTICLE XI

Meeting of the Executive Committee.

Section 1. The Executive Committee shall meet once a month. Special meetings may be called by order of the Chairman or on written notice of at least three members of the Executive Committee.

Section 2. Three members shall constitute a quorum of the Executive Committee ex-officio members expected.

ARTICLE XII

Election of Officers and Members of Executive Committee.

Section 1. The officers and members of the Executive Committee shall be elected when the Post is organized; and thereafter, at each annual meeting of the Post. A majority of all the votes cast at such meetings shall be necessary to the election of an officer or member of the Committee.

ARTICLE XIII

Rules.

Section 1. Rules of procedure at meetings of the Post shall be those set forth in Roberts' Rules of Order, except as otherwise provided herein.

ARTICLE XIV

Titles.

Section 1. Military titles will be dropped from the names of all members of the American Legion; not in active service, in all matters that pertain to state and local organization, as the Legion knows no distinction of either rank or service.

ARTICLE XV

Limitation of Liability.

Section 1. This Post can incur no obligations or liabilities of any kind whatever, which shall be subject to liability, any other Post, subdivision, organization, committee or group of members of the American Legion.

ARTICLE XVI

Amendments and Alterations.

Section 1. Amendments to these By-Laws may be made at any meeting of the Post, annual or special, by a vote of two-thirds of the members present, provided notice of the proposed amendment has been given in the call of the meeting, and provided, further, such amendment does not conflict with rules of the State or National organizations.

Rheumatism Relief--25c.

Nature's Remedy (NR Tablets), Are Helping Thousands Who Tried Expensive Things Without Result. It's Guaranteed.

There are three vital processes of human existence—the digestion of food, the extraction of nourishment from it and the elimination of waste. Poor digestion and assimilation means failure to derive full nourishment from food and that in turn often means impoverished blood, weakness, anemia, etc. Poor elimination means an accumulation of waste matter which poisons the body, lowers vitality, decreases the power of resistance to disease and leads to the development of many serious ills.

Rheumatism—due to some interference with the process of elimination, failure to get rid of certain body poisons—cannot be expected to yield to any medicine that fails to correct the condition responsible for it. Could any reasonable person expect to rid himself of rheumatic pain as long as rheumatic poison is allowed to remain in the body?

Take of this. It explains the success of Nature's Remedy (NR Tablets) in so many cases where other medicines have failed. Thousands are using NR Tablets every day and getting relief. Why pay five or ten times as much for uncertain things? A 25c box of Nature's Remedy (NR Tablets), containing enough to last twenty-five days—must help you. You must give you prompt relief and satisfactory benefit or cost you nothing. Nature's Remedy is not only for the relief of rheumatism. It improves digestion, tones the liver, regulates kidney and bowel action, improves the blood and cleanses the system. You've tried the expensive medicines and doctors, now make the real test. You'll get results this time. Just try it. Nature's Remedy (NR Tablets) is sold, guaranteed and recommended by your druggist.

Mechanical Perfection of The Starr

In an advertisement last Friday we featured the "Grafonola," and we believe it to be one of the best machines on the market.

This week we are telling the readers about the Starr Phonograph. We are selling both the Grafonola and Starr machines and we leave it to our customers to decide which machine he likes best. We will gladly play the latest records for you on either machine. Come in today.

Each Starr has an Adjustable Tone-Arm which permits playing of every disc record made, as each was meant to play, in addition to Gennett Records. This means that musical repertoire is unrestricted.

Each Starr has a scientific Tone Regulator which controls the tone at its source—not after it is amplified and then by muffling it. Thus the delicate colorings are preserved intact only reduced in volume.

Each Starr is equipped with a high-grade, non-vibrating well-balanced, finely constructed Starr-Made Motor which runs with an even, precise speed, silence and power. The same regular tone, free from pitch variance, is thus assured at all times.

The Starr Automatic Motor Stop is placed on all styles over and including Style III, and is only another feature which contributes to the owner's complete satisfaction. Each Starr has beautifully finished metal parts, silent domes instead of noisy casters, and many other refinements and conveniences.

Starr Phonographs are made in a great variety of conventional and art styles and finishes. The veneers are thoroughly seasoned and the Starr receives a high grade piano finish throughout.

Heavy White Seed Oats

The Negro's Confession

Col. Sam F. Wilson, who had been appointed by the court, to defend Lockett, read his confession to the jury:

Col. Wilson stepped before the jury and read Lockett's discharge from the United States army and was hearing the conclusion of his reading of Lock-

ett's confession, which Colonel Wilson told the jury had been made and signed by the negro, when a mighty shout arose from the street. The confession follows:

"I have pleaded guilty and have no defense to make in answer to the charge against me. My fate is at your hands and I throw myself on the mercy of the Court and jury."

"I am sorry that I did it. I was sorry the minute after the deed, and I don't know why I did it. I would give anything to bring the little girl back to life and undo the wrongs I have done."

"I am 33 years old. I was born at Henderson, Ky. My father and mother are dead and I have no blood kin that I know of. I have had but little education. Most of my life has been passed in farm labor."

"I never have been tried in court before for any offense, except misdemeanors and I never was court-martialed while in the army."

"My wife died three months ago and that has been on my mind."

"I was in military service for four years. I first was in the pioneer infantry and afterwards transferred to the Quartermaster's Department and worked as a teamster about the camp. Lieut. Fowler, a white officer, was my last commander. I was discharged honorably at Camp Taylor in May, 1919. I submit my discharge certificate with this statement."

"While at Camp Taylor I was treated at one of the regimental infirmaries for disease. I have had this disease for 10 or 15 years. It may be this had something to do with the act I committed. This disease and my ignorance are all I have to offer in explanation or extenuation of what I have done. I don't know why I did it."

"It has been explained to me that the punishment for murder is death or confinement in the penitentiary for life, in the discretion of the jury. All I have to ask the jury is this, that if you gentlemen of the jury can find it in your hearts and conscience to be merciful to me, you will spare my life and not impose the death penalty, but send me to the penitentiary for life."

"This is all that I have to ask. I do not say that I deserve any mercy at your hands, but gentlemen of the jury, as you hope for mercy yourselves, I ask you if you can be merciful to me?"

"I have asked the lawyers appointed to defend me, to read this statement to you for me."

— (Signed) WILL LOCKETT, Lexington, Ky., Feb. 9, 1920.

Witnessed: Gus Rogers, Huston Long.

When Col. Wilson had reached the words, "Send me to the penitentiary for life," when there broke from the crowd below a long swelling cheer, ending with a roar, followed by the cracking of rifles and pistols.

It was ended in an instant.

A mother, father and daughter, the latter born in a tattered Red Cross tent in the icy Caucasus while guns roared all around and Turkish shells, ignoring the mercy emblem, burst near it, are touring America in behalf of their native Armenia. They are General Mezrop Newton Azgapatian, his wife, Lady Anne, and French Esther Arax Azgapatian, whose baby eyes opened upon scenes of horror and later through them saw much of the sufferings of the people of Armenia.

The family are making their tour under auspices of the Near East Relief, the big organization which has saved hundreds of thousands of the people in that part of the world from death by hunger and cold and is soon to open a nation wide campaign for funds to complete the work of saving the survivors, more than a half million of whom must perish unless aid comes to them soon. America is their only hope.

General Azgapatian served gallantly in the Russian armies in the Caucasus against the Turks. His wife, who accompanied him to the front, did noble work for the wounded and sick, and it was while in this service that her baby was born in a hospital tent during a battle. An army blanket swung from two poles in one corner of the tent was the baby's crib during the rest of that terrible winter campaign. With the collapse of the Russian armies after the Bolshevik revolution the Azgapatians returned to Armenia for a brief spell and did their best to alleviate the suffering they found on every hand. But with a Turkish price on his head the father finally made his way with his family through Russia to Finland and then to this country. What they tell of conditions and needs in Armenia is first hand evidence.

In the Caucasus, Armenia, Syria, Turkey and Persia are more than 250,000 orphans, helpless little victims of war, massacre and deportation, and for the great majority the only bar between them and absolute starvation is a bowl of hot bean soup every day. This soup is supplied by the Near East Relief now making an appeal to the American people for sufficient funds to increase this dole and to provide these suffering little ones with clothing and give them an education that will help them to become self supporting. It is estimated that more than 1,500,000 in Western Asia will die of starvation unless American aid
